

Tiny raft

NEW

Welcome on the raft.
Enjoy your stay at Zilvermeer.

Check in and check out

arrival: from 3 pm

departure: before 11 am

Check-in is possible with max. 2 persons
(At check-in, show your ID
and your car registration certificate)

Please bring your orange rubbish bag to the container park before departure. Sorting during the applicable opening hours.

Keep in mind:

- ✓ After your check in you can take the car on the domain via the barrier at the campsite reception and drive straight to the reserved parking space. Leave your car there and continue on foot or by cargo bike until you reach the raft (= about 900 m.).
- ✓ Follow the route on the map and on the way (after about 400 m.) you will pass the sanitary block of which you received the key during the check-in. You can use it during your stay, but you always lock it back up after use. This is your responsibility. In case of problems, please inform the campsite reception.
- ✓ On the campsite you can also make free use of the larger sanitary blocks, which offer more comfortable toilets and showers. Sanitary South is the nearest large sanitary block (see plan).
- ✓ The large sanitary blocks are also accessible after opening hours with your access badge.
- ✓ To reach the raft, continue to the pedalo (Approx. 500 m from the sanitary block).
- ✓ The pedalo is fixed with chain and lock. .
- ✓ When you go back ashore, you put the pedalo back on the chain to prevent it from floating away. Don't put the pedalo on the chain too short to prevent damage (when it rains, the pedalo will sink and the chain may come under too much tension if you hang the padlock too short).
