# Tiny raft

Welcome on the raft.  
Enjoy your stay at Zilvermeer.

## Check in and check out

**arrival:** from 3 pm  
**departure:** before 11 am

Check-in is possible with max. 2 persons  
(At check-in, show your ID  
and your car registration certificate)

Please bring your rubbish bag to the container park before departure.  
Sorting during the applicable opening hours.

## Keep in mind:

- ✓ After your check in you can take the car on the domain via the barrier at the campsite reception and drive straight to the reserved parking space. Leave your car there and continue on foot or by cargo bike until you reach the raft (= about 900 m.).
- ✓ Follow the route on the map and on the way (after about 400 m.) you will pass the sanitary block of which you received the key during the check-in. You can use it during your stay, but you always lock it back up after use. This is your responsibility. In case of problems, please inform the campsite reception.
- ✓ On the campsite you can also make free use of the larger sanitary blocks, which offer more comfortable toilets and showers. Sanitary South is the nearest large sanitary block (see plan).
- ✓ The large sanitary blocks are also accessible after opening hours with your access badge.
- ✓ To reach the raft, continue to boat 4 (Approx. 500 m from the sanitary block).
- ✓ The boat is fixed with chain and lock . .
- ✓ When you go back ashore, you put the boat back on the chain to prevent it from floating away. Don't put the boat on the chain too short to prevent damage (when it rains, the boat will sink and the chain may come under too much tension if you hang the padlock too short).

## Hint

### Rent a bike?

Do you want to relax sportively and explore the beautiful surroundings by bike?  
During the campsite reception's opening hours, you can rent bikes, both for adults and children.

## Max 20 km per hour - Parking

On the day of arrival and departure you can already visit the day recreation before the arrival time and after checking out. When you sign up at the campsite reception you will receive the accommodation tickets.

This will give you access to the domain on foot via day recreation. PLEASE NOTE: Parking before arrival and after departure for the purpose of visiting day recreation is only possible on the larger car parks of the day recreation (entrance beach - Zilvermeerlaan).

There is one parking space per pitch on the campsite. (max. 20 km/hour) Non-essential trips with your vehicle on the domain are not allowed.

## Peace and quiet between 10 pm and 7 am

From 10 pm to 7 am we would like to give those who stay on our domain a good night's sleep. This means that from 10 pm you have to turn down the volume of the radio/TV a bit, exuberant parties near the raft are not allowed.

## Barbecue

Use of a fire hut for barbecuing is only possible after written request and approval in the designated fire hut (on the sandy plain near the large slide).

The written request must be made at least 1 week prior to arrival. BBQ is allowed after approval, unless there is a temporary ban due to prolonged drought and fire risk.
