

Raft camping XL

Welcome on the XL raft.
Enjoy your stay at Zilvermeer.

Check in and check out

arrival: from 3 pm
departure: before 11 am

Check-in is possible with max. 2 persons
(At check-in, show your ID and your car registration certificate)

Please sort your rubbish before departure at the container park during current opening hours or in the underground containers near Sanitary North & Sanitary Central.

Keep in mind:

- ✓ After your check in you can take the car on the domain via the barrier at the campsite reception and drive straight to the reserved parking space. Leave your car there and continue on foot or by cargo bike until you reach the raft (= about 900 m.).
- ✓ Follow the route on the map and on the way (after about 400 m.) you will pass the sanitary block of which you received the key during the check-in. You can use it during your stay, but you always lock it back up after use. This is your responsibility. In case of problems, please inform the campsite reception.
- ✓ On the campsite you can also make free use of the larger sanitary blocks, which offer more comfortable toilets and showers. Sanitary South is the nearest large sanitary block (see plan).
- ✓ The large sanitary blocks are also accessible after opening hours with your access badge.
- ✓ To reach the raft, continue to the rowing boat 2 (Approx. 500 m from the sanitary block).
- ✓ The rowing boat is fixed with chain and lock . .
- ✓ When you go back ashore, you put the boat back on the chain to prevent it from floating away. Don't put the boat on the chain too short to prevent damage (when it rains, the boat will sink and the chain may come under too much tension if you hang the padlock too short).

Hint

Rent a bike?

Do you want to relax sportively and explore the beautiful surroundings by bike? During the campsite reception's opening hours, you can rent bikes, both for adults and children.

We can also help you with fun routes in the area!

Ask at our campsite reception or at the Info Point.

Provincie
Antwerpen

Max 20 km per hour - Parking

On the day of arrival and departure you can already visit the day recreation before the arrival time and after checking out. When you sign up at the campsite reception you will receive the accommodation tickets.

This will give you access to the domain on foot via day recreation. PLEASE NOTE: Parking before arrival and after departure for the purpose of visiting day recreation is only possible on the larger car parks of the day recreation (entrance beach - Zilvermeerlaan). There is one parking space per pitch on the campsite. (max. 20 km/hour) Non-essential trips with your vehicle on the domain are not allowed.

Peace and quiet between 10 pm and 7 am

From 10 pm to 7 am we would like to give those who stay on our domain a good night's sleep.

Fire hut: barbecue

Use of a fire hut for barbecues is only possible after written request and approval in the designated fire hut (on the sandy plain near the large slide).

The written request must be made in good time and at least 1 week before arrival.

BBQ is allowed after approval, unless there is a temporary ban because of prolonged drought and fire danger.

Inventory

Check the inventory yourself very carefully using the lists in the cupboards. Inventory shortages or damage must be reported at the beginning of your stay. Inventory shortages will be charged.
